The second No. (for May) of this remarkable work has just reached us. It is excellent in matter and manner-excellent in plan and execution. A periodical made up entirely of the contributions of females who live by twelve hours' daily labor in factories, and well filled, moreover, is a bow of promise and a subject of deep interest to the great Laboring Masses throughout the world. We heartily commend this work to general patronage, and will gladly forward subscriptions to the publishers. (32 pages monthly: \$1 per annum.

DR. RECHARDSON'S SHERRY WINE BITTTERS.—The following are a few of the Editorial Notices
From tip: Beston Morning Poet.
Dr. Richardson's Sherry Wine Bitters are an excellent medicine.
We have taken a bottle of them, and are about ten years younger
(in our feelings.) than we were a month age.
From the Binder. Hill Aurora, Charlestown.
Dr. Richardson's Bitters.—The Editor of the Poet has been made to
feel ten years younger by the use of one bottle of Dr. Richardson's
Bitters. These Bitters are quite popular, and prove nighly beneficial.
The editor of the Post is certainly good authority in such a case, and
his personal experience should go far towards establishing the Doctor's
Compound.

The editor of the Post is certainly good automate stablishing the Doctor's Compound.

From the Essex Hanner and Haverhill Advertiser.

This is the senson for the use of this valeable medicine. It is the most safe and effectual family medicine for diseases which it professes to cave, that has ever heen diseavered. It is composed of different roots and plants. We like the Bitters because they are no quack, but prepared by a regular practical physicina, who says but very little about them himself, but leaves for those who use them to make their ewn statements of their beneficial effects upon the system. We have just used the last of our bottles which we purchased of one of his agents, whose name will be found on the outside of our paper. A month ago we could neither run, fight, sing, holios, dance, or go to work, without feeling that our days were soon to be numbered among work, without feeling that our days were soon to be numbered among those that are not. But these Bitters have cured us, and we feel as the begane dull care," to suit ourselves; and those who wish to feel to be must resort to Richardson's Bitters, or there is no help for them.

From the Lossell Patriot.

To the above we cheerfully add our own testimony of the efficacy of Richardson's Bitters. They are excellent for all the purposes for which they are recommended.
